

We buy Aluminum Beverage Cans

Monday thru Friday
7:30 a.m. to 5:00 p.m.

For current prices, call 419-784-4285.

Please bring cans in large bags or other containers that are easy to handle & empty.

We do not buy any other metals!

The recycling container is the responsibility of the homeowner. The container must remain on the property if you move!

Premium Landscaping Mulch

Available in red, black, brown & gold

Benefits of our Premium Landscaping Mulch?

- Resists termites & other insects
- Less expensive than other bagged mulch
- Holds color longer
- Screened to eliminate large chunks & dust

No Trash, Please...

Non-recyclable items will be left in the recycling container and tagged as non-recyclable. Please separate any trash items and dispose in your trash bag or receptacle.

Curbside Recycling Program Guidelines

**Reduce!
Reuse!
Recycle!**

WE CAN RECYCLE!!

Cardboard/Boxboard

Corrugated cardboard (non wax-coated with wavy corrugation in middle). Remove any packing materials, such as foam, Styrofoam peanuts, & bubble wrap. Cereal boxes, tissue boxes, & shoe boxes are ok. Wax liners must be removed. Please Flatten boxes.

Office Paper & Junk Mail

White office paper, colored paper, computer paper, notebook paper, junk mail, envelopes (windows ok), manila folders, yellow pad paper, sticky notes, & paperback books are ok.

Magazines/Catalogs

Magazines, phone books, paperback books & catalogs are ok. No hard cover books.

Aluminum Cans

Please drain cans. Aluminum & steel beverage containers will be separated automatically at the Recycling Center. You may crush cans to save space.

Newspaper

Newspapers & glossy inserts are accepted. Do not place in any type of bag or tie in bundles.

Steel Food Cans

Rinse clean. Paper labels are ok. Place lid inside can & pinch end closed to keep lid inside.

Plastic Bottles & Jugs

ONLY #1 and #2 plastic bottles, such as milk jugs, water bottles, pop bottles, and detergent bottles are accepted. Remove caps and throw in garbage. Rinse bottles.

Please Help...

Make recycling happen by preparing your recyclables as requested. What can be recycled and how these materials have to be prepared is determined by the businesses that make products from recycled materials. **Careful preparation and separation of recyclables is important.** Manufacturers require clean & contaminate free materials to make new products. **Unsorted or improperly prepared materials go to the landfill.**

No Trash, Please...

Non-recyclable items will be left in the recycling container and tagged as non-recyclable. **Please separate any trash items and dispose in your trash bag or receptacle.**
